LET US DREAM

ANNUAL COMMUNITY
CONFERENCE-2025

Let Us Dream conference was established to create better networking and collaboration among volunteers, potential volunteers, philanthropists, and community organizations thus empowering them in diverse community improvement programs.

The conference introduces different community service possibilities and intervention models among different generations to promote volunteerism.

The conference also provides opportunities for researchers and practitioners to share their knowledge and experience for the purpose of synergizing, community improvement efforts.

OBJECTIVES

To offer the participants an opportunity to bridge the knowledge gap through the interaction of researchers and practitioners worldwide.

To make recommendations towards achieving greater global peace and harmony worldwide.

To provide an opportunity to share, learn, and support more community intervention research, theories, and models.

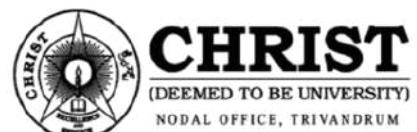

To provide a forum for sharing experiences including the successes and challenges in community organizations and efforts.

To invite individuals with bigger hearts and deeper thoughts for their society to be a support system for the community empowerment initiatives.

HOST -2025

Nodal Office, Thiruvananthapuram

The **Nodal Office, CHRIST (Deemed to be University)** at Thiruvananthapuram, Kerala is established with the objective of reaching out to academic community and society through Research and Community Oriented activities. Situated in the beautiful ambience of Thiruvananthapuram, the capital city of Kerala, the Nodal Office is under the administration of CHRIST (Deemed to be University), Bangalore.

The Nodal Office is mandated to achieve its objective by undertaking activities that would make a change in academic, social, economic, cultural and environmental fields. These are achieved by organizing conferences, community awareness programmes, seminars, workshops. The Nodal Office further offers Training and Development programmes in building academic and leadership competencies to individuals, organisations and communities.
